Do you have concerns about your child's development that you would like to talk with us about? Yes No

Please indicate any other information that may help us meet your child's needs better:

## Statement of Accord Between Joliet Montessori School & Parents

By our signature below, we both agree to support and honor the important partnership between school and home through the years that this child is enrolled in Joliet Montessori School:

---

As a parent you can depend upon Joliet Montessori to uphold the following principles:

- Honor the school's mission and cultivate respectful relationships with all members of our community
  - Maintain a prepared Montessori environment that meets AMI & AMS standards of excellence in faculty and materials
  - Promote understanding of the Montessori philosophy through our website, newsletters, publications, and parent events and educational activities
  - Communicate in a concise and timely fashion through email
  - Understand the challenges of parenting and support you in meeting those challenges
  - Partner with the Parent Ambassador Program to provide opportunities for families to get to know other families
  - Put the needs of children first and foremost in every policy and practice
- 

As a parent you are asked to uphold the following principles that support Joliet Montessori School's climate and culture:

- Honor the school's mission and cultivate respectful relationships with all members of our community
  - Read and abide by Joliet Montessori School's Parent Handbook of policies and procedures
  - Participate in Montessori fundamental principles by reading publications and attending parent education nights
  - Make reasonable attempts to observe your child's classroom; attend Parent Conferences; and participate in school events
  - Partner with the school to promote your child's optimal development by reading together as a family during the school week, limiting screen time as described in the handbook; allowing your child to participate in chores at home.
  - Send a healthy lunch each day that minimizes pre-packaged foods, candy, cakes, or other unhealthy choices
  - Refrain from sending nuts or nut tree products to school
  - Resolve conflicts in a truthful, direct manner that builds better friendships and benefits everyone involved
  - Contribute to the Annual Fund at a level suitable for your family's economic ability
- 

Joliet Montessori School seeks to uphold the highest standard of Montessori practices in service to your child.

- Children are enrolled in three year segments that encapsulate a comprehensive curriculum comparable with Illinois Department of Education standards. Interruption of the three year cycle may result in educational deficiencies.
- Three hour work cycles are essential for students to become deeply engaged in individual work and activities. Please try to schedule medical and other appointments in the afternoon.
- Montessori materials are critical to the delivery of this educational process. Materials that are purposefully destroyed will require replacement by the responsible individual in a developmentally-appropriate manner.
